

CQ - Business 'Cell'utions from CetharSoft

CQ is an innovative product from CetharSoft India. CQ transforms an Ordinary Cell Phone into a powerful **Business Companion**. This is a Mobile Software that extends the usage of a Cell Phone as a Hand-Held Terminal at the fraction of cost of other technologies to address the fast emerging Mobile World.

CetharSoft is an ISO Certified Information Solutions provider from India and well equipped to deliver such innovative products.

**CetharSoft works to extend the reach of an Enterprise System
beyond the limits of the desktop...**

CQ Versions:

	CQBIZ	Transforms your cell phone into a powerful business tool! PriceLists, AddressBooks, Directories, Reference Lists.....all Secure
